

OTTAWA COUNTY EXPONENT WEDDING INFORMATION

The **Ottawa County Exponent** will publish weddings for local residents of Ottawa County in our readership area and those who have graduated from Oak Harbor High School as a **free service** to our readers. Photographs also may be included free.

Wedding information must be submitted **no later than three months (90 days)** after the date of wedding. **After the 90-day deadline**, a wedding announcement may then be placed only through the advertising department at **normal advertising rates**.

We recommend that the wedding couple arrange for a friend to shoot a good phone of the couple on the wedding day in case professional photos are not returned in time for the 90-day deadline.
